Recommended Sightseeing Courses in Yokohama

Yokohama Traditional Course (About 2.4 km)
 Experience the old and new of Yokohama. Stroll with ocean breeze on Nihon-odori and Yamashita Koendori streets lined with Gingko trees. Enjoy food and shopping in Yokohama Chinatown at the end of the tour.

Yokohama Historical Architecture Course (About 2.5 km)
 Kanagawa Prefectural Government (King), Yokohama Customs (Queen), Yokohama Port Memorial (Jack) are called "The 3 Towers of Yokohama", historical architecture representing Yokohama city. Bashamichi is a historical street where many things started in Japan for the first time. Ice cream and the gas light are some examples of Western modern articles which spread out all over Japan from here.

Road of Opening the Port Course (About 3.2 km)
 The area with many historical buildings and the remains of civil engineering, such as the Kishamichi Promenade, Yamashita Rinko Line Promenade, Red Brick Warehouse which are built on ruins of the old Harbor rail road (Rinko Line) so as to enjoy more than enough history of Yokohama city.

Science, Cultural, Sports Course (About 3.9 km)
 After learning of the future and latest technologies of science at Mitsubishi Minato Mirai Industrial Museum, enjoy art in Yokohama Museum of Art and take a break at Granmall Park. Observe the team practice of the Yokohama F. Marinos at Marinos Town. Shopping at Yokohama Bay Quarter to finish the course.
